Hair Analysis and Nutrition Evaluation

Mineral analysis and heavy metal evaluation is discovered through Hair Analysis. We cut a few thin strands of your hair with your symptom review, and we will give you a complete analysis of your body's minerals, hormones and nutrients, as well as the supplements you need to balance your system.

- Hair Analysis \$125
- Office visit to discuss results \$60
- Dietary recommendations..... \$25

SKIN CARE ACCESSORIES

Clarisonic™

Ultrasonic cleanser for face and body that cleans and polishes your skin, increases the absorption of products and effectiveness of skin treatments.

\$225

Tranquileyes™

Eye hydrating therapy is an all natural treatment to relieve dry, tired, red eyes while moisturizing the surrounding skin.

\$65
